OFFICE OF LEGISLATIVE COUNSEL

Thursday - 12 February 1976

1. (Unclassified - RJK) LIAISON Called Mike Cornfield, on the staff of Representative Michael Harrington (D., Mass.), in connection with his earlier request for a list of the recipients of the National Security Medal for the past ten years. Based on guidance from Mr. Jack Blake, DDA, and Mr. Cary, I told him that the award is presented by the White House with the approval of the President and, therefore, he should direct his request to the White House. He said he would do so.

2. (Unclassified - THW) BRIEFING In the absence of Marian Czarnecki, Staff Director, House International Relations Committee, I spoke with Jack Brady, on the Committee staff, with respect to a briefing requested by Representative Lester L. Wolff (D., N.Y.), Chairman, Subcommittee on Future Foreign Policy Research and Development. I told him that this was in furtherance of our policy to bring such requests to the attention of the Chairman of the full Committee. I told him the date set was 19 February and that it would be in executive session, with no attribution and that it would cover the Soviet-Chinese-U.S. power triangle but that nothing would be said with respect to U.S. policies. He said he would pass the information on to Representative Thomas E. Morgan (D., Pa.), Chairman, House International Relations Committee.

3. (Unclassified - NDL) LIAISON After checking with the Office of Personnel, I called Mae Sykes, Congressional Relations, State Department, in connection with her request of yesterday regarding Larry C. Waddell being an Agency employee. Ms. Sykes was not in her office so I left a message for her that Mr. Waddell was not employed by this Agency.
